

Remarks

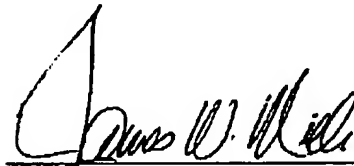

In response to the Office Action of April 5, 2005 comprising a further restriction requirement, I hereby elect Group I, namely claims 1-27 and 39-42 for prosecution. This election is made without traverse. The claims of Groups II and III, namely claims 28-30, have been canceled herein.

The Examiner is reminded that the previous restriction requirement as to claims 34-38 was traversed and a decision on such traversal is pending when the Examiner acts on the Amendment filed 1/10/2005.

For all the reasons noted in the Amendment filed 1/10/2005, this application is believed to be in condition for allowance. Such allowance and passage to issue is respectfully requested.

If the Examiner feels the case is in condition for allowance except for the presence of claims 34-38, he is kindly requested to call me to discuss the matter before issuing a further written Office Action.

Respectfully submitted,

April 8, 2005
